2.1 Membership. Each Person is automatically a Member of the Association upon obtaining a publicly-recorded fee title ownership interest in a Lot and remains a Member until they cease to have such recorded fee ownership interest in a Lot.

- a. *Membership Appurtenant to Lots.* Membership in the Association is for the benefit of and appurtenant to the Lot to which it relates and may not be separated from the ownership of the Lot.
- b. *No Membership for Security Interests.* Membership does not include Persons who hold an interest in a Lot merely as security for the performance of an obligation.
- c. *No Membership for Tenants.* Tenants have the same rights to use the Common Areas as Members and have the same duties to follow the Association's Governing Documents but are not Members and have no right to vote.
- d. *No Separate Transfer of Membership.* No Member may transfer, pledge, or alienate in any way their membership in the Association, except upon the recorded transfer of the fee interest in the Lot to which it is appurtenant and then only to the transferee of such fee interest.
- e. *Trusts.* If title to a Lot is held in the name of one or more trustees, subject to a trust, a sole trustee or one of several trustees is authorized to exercise the rights and privileges of Association membership. The designation of one of several trustees must be in writing with documentation confirming both the designation and the authority of the designator to do so.
- f. *Impersonal Entities.* If title to a Lot is held by a legal entity that is not a natural Person, the governing authority of that legal entity is empowered to appoint a natural Person who is an officer (if a corporation), partner (if a partnership), or manager (if a limited liability company) which person will be solely authorized to exercise the rights and privileges of Association membership. The designation by the impersonal legal entity must be in writing with documentation confirming both the designation and its authority to do so.

2.2 Proof of Ownership. Proof of membership must be in the form of a recorded deed showing fee ownership of a Lot.

2.3 Voting Rights. In all matters submitted for a membership vote, Members are entitled to one (1) vote per Lot (regardless of the number of Owners having an interest in the Lot).

2.7 Encroachment Easement. Members agree that minor encroachments of the Common Area on Lots or of Lots on the Common Area or on other Lots are permitted and that valid easements for the encroachments exist. Such minor encroachments are not encumbrances either on the Lots or the Common Area.

ARTICLE 3: OWNERSHIP OBLIGATIONS

3.1 Obligation to Follow Governing Documents. Owners, Tenants and Residents must follow the Association's Governing Documents and ensure that their respective family, guests, and invitees abide by the Governing Documents.

3.2 Security. Neither the Association nor any Officer, Director, Committee member, employee or agent of the Association are insurers or guarantors of any level of security within the Development. Owners are responsible for their own security and must take appropriate measures to ensure their own security and that of their family, guests, invitees and Tenants. Owners agree not to rely on any security measures provided by the Association. The Association, its Officers, Directors, Committee members, employees and agents are not liable for any loss or damage from failure to provide adequate or effective security measures.

3.3 Purchase Subject to Violations. Buyers take ownership of Lots subject to any violations by prior Owners, Tenants or their respective family, guests, invitees, or pets, of the Governing Documents concerning the Lot, whether such violations were disclosed by the seller of the Lot and whether the Association knew of the violations at the time of sale. Such buyers are liable for correcting such violations upon demand by the Association. Assessments, fines, and other charges not secured by a lien on the Lot prior to transfer of title are exempt from this provision.

3.4 Notice of Transfer of Ownership. No later than five (5) days after the assignment, sale, quitclaim or other transfer of their Lots, Members must notify the Association of the name, address, phone number, and email address of the transferee and the nature of the transfer.

3.5 Duty to Maintain, Repair and Replace. The Owners' maintenance, repair and replacement obligations are more fully described in the Article in these CC&Rs entitled "Maintenance, Repair, and Replacement Responsibilities."

3.6 Obligation to Carry Insurance. Owners must purchase insurance for their Separate Interests, at their sole expense, as more fully described in the Article in these CC&Rs entitled "Insurance." The Association may confirm compliance with this Section by any Owner but is not required to and is specifically relieved of any responsibility or liability for not confirming compliance with this Section by any Owner.

3.7 Liability for Damage.

- a. Owners are liable for any and all damage to the Lots, Common Areas, and any personal property negligently caused by the Owner, Owner's Tenant, Occupants, or their respective family, guests, invitees, vendors, or pets.
- b. The Association and all Owners must repair, restore, remediate or replace any damaged portion of the Development as required by these CC&Rs. However, the Association may impose a Reimbursement Special Assessment against any liable Owner for all costs, incurred by the Association in connection with any such repairs, restoration or replacement. The Reimbursement Special Assessment may become a lien against the liable Owner's Separate Interest enforceable by the sale of the Owner's Lot under Civil Code sections 2924, 2924b, and 2924c.

3.8 Correction of Violations. Following notice and a hearing and a finding by the Association of a violation of the Governing Documents, the Association will have the right, but not the duty, to correct or cause to be corrected the violation, including entering a Lot with the permission of an Owner owning the Lot, which permission will not be unreasonably withheld. All expenses incurred by the Association to correct the violation will be recovered from the Owners owning the Lot as a Reimbursement Assessment following notice and a hearing. If permission for entry into the Lot is not granted, the Association may enforce the violation by any other means allowed by the Governing Documents or the law.

3.9 Reimbursement to Association. If the Association provides materials or services that benefit a particular Owner, such Owner must reimburse the Association for the costs the Association incurred. If not, the Association may impose a Reimbursement Special Assessment against the Owner in the amount of such costs.

3.10 Liability for Mitigation. Owners are liable for expenses incurred by the Association in mitigating or repairing damage to Lots, Common Areas, and Improvements due to damage: (i) originating from Owner's Lot, including, but not limited to, flood, fire, mold, insect, or rodent infestation; or (ii) from the negligence or willful misconduct of such Owner, Owner's Tenant, or their respective family, guests, invitees, vendors, or pets. If not repaid, the Association may impose Reimbursement Special Assessments against liable Owners.

4.10 Granting Utility Easements. The Board is authorized to grant easements and rights of way in, under, or through the Common Areas for constructing, erecting, operating, maintaining, repairing, and replacing utilities and similar services.

4.11 Limitation on Granting Easements. Granting any Owner an easement for exclusive use of any portion of the Common Areas requires the approval of at least sixty-seven percent (67%) of the Voting Power, except if the easement is for any of the reasons stated in the Davis-Stirling Act.

4.12 Borrow Money. The Association may borrow and repay monies, as needed to discharge its duties, and pledge or assign Special Assessment rights, as security for repayment of such borrowed money. Except for emergencies, the aggregate total of all loans made by the Association in a given fiscal year may not exceed five percent (5%) of the budgeted gross expenses for the same fiscal year, without Membership Approval.

4.13 No Power to Encumber Real Property. The Common Area of the Association may not be encumbered as a security for debt.

4.14 Represent Association in Litigation. The Association, by its Board, may institute, defend, settle, or intervene in litigation, arbitration, mediation, administrative proceedings, or any other legal proceeding in any capacity necessary to represent the interests of the Association.

4.15 Receive and Dispose of Property. Subject to the Section of these CC&Rs entitled "Limitations on Transfer of Real Property", the Association may acquire, hold, lease, encumber, convey, or otherwise dispose of real and personal property and to take real and personal property by will, gift, bequest or any other legal transfer. Any funds or property so received must be used consistently with the purposes for which the Association was formed.

4.16 Limitations on Disposition of Personal Property. The Board may not, without Membership Approval, dispose of during any fiscal year personal property owned by the Association having an aggregate market value in excess of five percent (5%) of the Association's budgeted gross expenses for that year.

4.17 Limitations on Transfer of Real Property. The Board may exchange, sell, dedicate, or otherwise transfer real property, including Common Area, owned by the Association only on the following conditions:

- a. Approval by a majority of the Voting Power of the Association must first be obtained, except for the sale or other transfer of property acquired by the Association in foreclosure proceedings.
- b. No exchange, sale, dedication or other transfer may include real property to which an Owner has an exclusive right to occupy or use.
- c. For any exchange of real property, the property received by the Association must be of equal or greater value than the property given.
- d. Any dedication of property must only be to a public agency, authority, or utility for such purposes and subject to such conditions as may be agreed to by the Association.
- e. If the exchange, sale, dedication or other transfer of real property requires an amendment to the Governing Documents, any approval of such exchange, sale, dedication or other transfer by the Board must be conditioned upon approval of such amendment.

4.18 Capital Improvements. The following applies to Common Area Capital Improvements:

- a. *Authority.* The Board may alter, remove or replace Common Area Improvements as-needed to carry out their duties.
- b. *Defined.* "Capital Improvement" means any substantial discretionary addition to the Common Areas or significant alterations to the appearance of the Development. A Capital Improvement is not defined to mean additions or upgrades to Common Area materials which are necessary or prudent to comply with building or safety codes, or to prevent property damage or personal injury, or to reduce operating or maintenance costs for the Common Areas or to comply with Reserve component repairs or replacements.
- c. *5% Limitation.* Capital Improvements may not be made to the Common Areas in any fiscal year in excess of five percent (5%) of the Association's budgeted gross expenses for that year, without Membership Approval.

- d. *Obsolescence.* If the Board determines that any Common Area Improvement is obsolete, and/or no longer brings sufficient value to the Association to justify its upkeep, and the cost to remove the amenity is more than five percent (5%) of the budgeted gross expenses for that fiscal year, the Board must obtain Membership Approval to remove the amenity.

4.19 Vendor Contract Limitations. Except for the contracts listed below, the Association is prohibited from entering into any contract for services which binds the Association for a period for more than two (2) years, without Membership Approval.

- a. *Public Utility Contract.* A contract with a public utility company, if the rates charged for the materials or services are regulated by the Public Utilities Commission. However, the term of the contract must be for the shortest term for which the supplier will contract at the regulated rate.

When necessary, the Association is empowered to discharge, by payment, any lien against the Common Area and assess the cost thereof to the Owner or Owners responsible for the existence of the lien. Prior to any Board decision to discharge a lien, the Owner or Owners responsible for the existence of the lien must be given written notice and an opportunity to be heard by the Board and present any defenses which may exist.

ARTICLE 5: ARCHITECTURAL CONTROL

5.1 No Improvements or Alterations Without Approval. No Renovations by or on behalf of an Owner which alter the exterior appearance of any Lot or its Improvements or Common Area are permitted until plans and specifications have been submitted to and approved in writing by the Architectural and Residential Landscaping Committee or Board. Any Renovations which are unapproved, different from those approved by the Committee, or done without required governmental permits, are automatically deemed disapproved and the Owner must promptly remove or correct the disapproved Renovations to comply with the Architectural Standards, the Committee's or Board's approvals, and governmental requirements.

5.2 No Exterior Installations. Installations of any kind, including but not limited to, trellises, awnings, electric lines, telephone lines, television antennas, satellite dishes, machines, or air conditioning units, on the exterior of the Buildings of the Development are prohibited except as authorized by the Committee.

5.3 Architectural Standards. The Board is authorized to adopt, amend, and repeal Architectural Standards. These Architectural Standards interpret and implement the provisions of these CC&Rs by setting forth the standards and procedures for the review and approval of proposed Renovations, guidelines or requirements for architectural design, placement of any Renovation, color schemes, exterior finishes and materials, and similar features which are recommended or required for use within the Development, provided that the Architectural Standards meet any minimum standards required by these CC&Rs. If any conflict exists between the Architectural Standards and these CC&Rs, the CC&Rs prevail.

5.4 Architectural and Residential Landscaping Committee. The Board is authorized to appoint an Architectural and Residential Landscaping Committee. If the Board does not appoint one, the Board is automatically deemed to be the Committee. The Committee has the authority to approve, reject, modify, give conditional approvals, and give limited approvals of Improvements and alterations as provided for in the Association's Architectural Standards.

- a. *Architect.* The Board is authorized to retain the services of an architect and one or more consultants to assist the Committee in its duties. Compensation for consultants' services must be determined by the Board. The cost of such consultants and any related expenses may be charged to those Owners submitting plans for Renovations as a Reimbursement Special Assessment. Any significant costs for which the Owner will be responsible must be submitted to the Owner for approval before being incurred by the Association.
- b. *Conflicts of Interest.* A Director or Committee member is not permitted to participate in the decision-making process of any architectural submittal made by that Director or Committee member or members of their family. Further, a Director or Committee member is not permitted to participate in the decision-making process of any other architectural submittal if the

approval would result in a monetary benefit to the Director or Committee member or any company in which the Director or Committee member or members of their family have a financial interest.

5.5 Submission of Plans.

- a. Plans and specifications in accordance with the Association's Governing Documents, describing the proposed Renovations, must be submitted to the Committee by personal delivery or certified mail.
- b. Applications are deemed approved within forty-five (45) days from the date of submission of a complete application unless (i) disapproved by the Committee, (ii) additional information necessary to properly consider the application is requested by the Committee within the forty-five (45) day period, or (iii) any proposed Renovations would violate the Association's Governing Documents, any Building, Safety and Fire Codes, or any other laws.
- c. Applications shall not be approved by any individual Committee member or Director. In the event an individual Committee member or Director approves architectural plans and specifications, such approval should not be relied upon and shall not be deemed approval.
- d. The Architectural and Residential Landscaping Committee is authorized to impose any reasonable conditions of approving an architectural application, in writing, including, but not limited to, (1) requiring modifications of particular aspects of the Owner's architectural submission and/or (2) requiring the preparation, execution and recording, at the Owner's expense, of a covenant establishing maintenance, repair and replacement, indemnity, and other obligations binding current and future Owners owning the Lot.
- e. Applications that are disapproved must be in writing and must explain why the proposed Renovation is disapproved. The Owner is permitted to seek reconsideration of a disapproved application, in writing, by the Board, unless (1) the original disapproval was made by the Board or a body that has the same membership as the Board at a meeting that satisfied the requirements of the Open Meeting Act or (2) as to any Renovations that were disallowed because they would violate the Association's Governing Documents, any Building, Safety and Fire Codes, or any other laws. A permissible written request for reconsideration must be received by the Board not more than forty-five (45) days after the denial. Within forty-five (45) days after receipt of the request for reconsideration, the Board must hold an open meeting to consider the reconsideration and decide. Failure of the Board to decide within the forty-five (45) day period is deemed a decision in favor of the Owner.

- f. Once an application has been approved, material modifications to the approved plans and specifications thereof are not permitted and any subsequent alterations, relocations, additions or modifications require a separate application, review and approval. If a proposed material modification is likely to materially affect other aspects or components of the work, the Board, in its discretion, may order the Owner and their contractors and agents to cease working on both the modified component of the Renovation and any other affected component.
- g. Unless a shorter period is specified in the approval, Renovations approved by the Committee must be completed within six (6) months of the Owner receiving approval. Renovations not completed within six (6) months must be resubmitted for approval. The Committee, in its discretion, may grant short extensions for Renovations to be completed.

5.6 Rescinding Approval. The Architectural and Residential Landscaping Committee and/or the Board is authorized to rescind previously approved plans but only for good cause.

5.7 Failure to Comply with Approval Requirements. Any Renovations, whether in progress or completed, which (1) were not approved in writing by the Committee or Board when such approval is required by the Governing Documents, (2) violate the Committee's or Board's conditions of approval, the Association's Governing Documents, or any Building, Safety and Fire Codes, or other laws, or (3) were performed by an unlicensed contractor (where a licensed contractor was required by law, the Governing Documents, or the Committee's conditions of approval), are automatically deemed disapproved and in violation of the Governing Documents.

5.8 Review Fees and Remodeling Agreement. The Board is authorized to establish a schedule of fees to be charged to an applicant to reimburse the Association for any out-of-pocket expenses it may incur in connection with the approval of an application, including architectural and/or engineering consultant fees, attorneys' fees for the preparation of recordable covenants or easements, or other documents uniquely necessary for compliance with reasonable conditions of approval, and expert expenses for reviewing plans. In addition, the Board is authorized to adopt and require Owners to sign a remodeling agreement.

5.9 Variances. The Architectural and Residential Landscaping Committee is permitted to recommend reasonable architectural variances, subject to advanced written Board approval. The Board may grant the variance if it determines the variance will not (i) constitute a material deviation from the overall plan and scheme of the Development, (ii) result in a material detriment to the Association or any Owner, or (iii) create a nuisance in the Common Area or affecting any other Owner. The granting of a variance by the Board is not a variance or waiver as to any other Lot, nor does any variance affect the applicability or enforceability of any provision of this Article in respect to any other Lot.

5.10 Engineering and Code Requirements. Plans and specifications approved by the Architectural and Residential Landscaping Committee or Board are not approved for engineering

design, Building, Safety or Fire codes, or other safety specifications. Approval by the Committee or Board does not absolve Owners of the responsibility of obtaining any necessary governmental approvals or permits. Owners must ensure compliance with applicable Building, Safety and Fire codes, ordinances, and specifications.

5.11 Inspection. The Association has the right, but not the obligation, to periodically inspect any work approved by the Committee or Board. Owners must allow inspection. Any work in progress may be halted and the Owner will be subject to a fine if (1) an inspection is not allowed, or (2) the Renovations are in violation of the Governing Documents as provided in the Section above entitled "Failure to Comply with Approval Requirements" or elsewhere. Such inspections do not absolve Owners from compliance with the Association's Architectural Standards and all applicable Building, Safety and Fire codes.

5.12 Building Department and Association Approvals. Any construction, repair, modification, or alteration of any Improvement requiring the issuance of a building permit must be submitted by the Owner to the appropriate governmental entity for review and approval. The Committee may impose conditions of approval which are more restrictive than conditions imposed by governmental agencies. If the conditions of approval imposed by the governmental entity and the Committee conflict, the more restrictive conditions control.

5.13 Mechanics' Liens. Owners must ensure that no lien is placed against any other Lot, or against the Common Areas, for labor or material furnished to their Lots. If a lien is placed against the Common Areas and/or another Owner's Lot, and the responsible Owner does not immediately cause the removal of the lien, the Association may, after written notice to the responsible Owner, pay the amounts necessary to have the lien removed and levy a Reimbursement Special Assessment against the responsible Owner for the monies advanced and any fees and costs incurred by the Association.

5.14 Hold Harmless and Indemnify. Approval of plans by the Association signifies only a general conformance with its Architectural Standards and not with Building, Safety, or Fire code compliance, lot lines, easements, or best construction practices. The Association and its Architectural and Residential Landscaping Committee, Owners, Officers, Directors, employees, and agents are not liable and must be held harmless, defended and indemnified for mistakes in judgment or negligence arising out of or in connection with the Association's approval or disapproval of plans.

5.15 Combining Lots. The combining of Lots is not permitted

5.16 No Right to Divide Lots. No Owner is permitted to divide any Lot.

5.17 Square Footage and Setbacks. The minimum and maximum square footage of structures and their setback requirements from lot lines must comply with the Association's Architectural Standards and any governmental requirements.

5.18 Drainage. Any changes to the established drainage patterns over a Lot (i) must comply with applicable Building Codes (ii) must not adversely affect the property of others, and (iii) must be approved in writing by the Committee in advance of any changes.

5.19 Occupancy of Unfinished, Temporary or Mobile Structures Prohibited. No trailer, RV, bus, tent, shack, garage, temporary building or structure of any kind is permitted to be occupied or lived in at any time. Permanent residential dwellings must not be occupied or lived in until they have been completed and the exterior is made to comply with the Association's Architectural Standards and any required governmental occupancy permit has been issued.

5.20 Removal of Temporary Buildings. Temporary buildings or structures used during construction or remodeling must be removed immediately after the completion of construction.

5.21 Diligent Construction. The construction of any Building or structure must be prosecuted diligently and continuously from the time of commencement until fully completed, and all structures, once the foundations are erected, must be completed in six (6) months or any other time frame approved by the Board.

5.22 Landscaping Following Construction. Within two (2) months of the completion of any construction work during which the Association's landscaping requirements were waived, or within any shorter time frame required by the Committee Architectural and Residential Landscaping Committee, Owners must landscape their Lots as required by the Association's Architectural Standards and/or any conditional approvals of the Committee.

5.23 Waiver of Liability. Neither the Architectural and Residential Landscaping Committee or its members nor the Association or its Officers, Directors, employees or agents are liable for any damage, loss or prejudice suffered or claimed on account of the Committee's review, approval, or disapproval of any plans, drawings or specifications, or the conformance of the construction with the approved plans and any such claims are expressly waived.

Owners must keep their Lots free and clear of all weeds, debris and rubbish (including rubbish dumped by others), and must keep all shrubs, trees, grass and plantings of every kind neatly trimmed, watered, cultivated and free of weeds and other unsightly material.
- h. *Private Streets/Fire Lanes.*
 - i. Association Responsibility. The Association must maintain, repair, and replace the private streets/fire lanes within the Development.
- i. *Slopes.*
 - i. Association Responsibility. The Association must stabilize, maintain, repair, and replace all Common Area slopes and drainage contours throughout the Development.
 - ii. Owner Responsibility. Owners must maintain, repair, and replace slopes, terraces, drainage contours, drainage devices, and landscaping on their Lots.
- j. *Termites and Pests.*
 - i. Association Responsibility. The Association may exercise any rights and authority provided for in the Davis-Stirling Act. In addition, the Association has the authority and duty to do the following:
 - (a) Treat, repair and/or replace, at its own cost, Common Areas, and any other areas which the Association must maintain, repair or

replace, infested or damaged by insects, rodents, and wood-destroying pests or organisms (including microorganisms); and

- (b) Impose a Special Assessment against the membership for the cost of the treatment and/or repairs.

ii. Owner Responsibility. Each Owner is obligated to do the following with respect to the Owner's Lot and Residence:

- (a) Treat, at Owner's expense, the portions of Owner's Lot and Residence infested or damaged by wood-destroying pests or organisms (including microorganisms);
- (b) Treat Owner's Lot and Residence infested by insects (such as ants, cockroaches, silverfish, etc., other than wood-destroying pests) and rodents; and
- (c) Repair and replace, at Owner's expense, any damage to Owner's Lot and Residence caused by the presence of wood-destroying pests or organisms (including microorganisms), other insects and rodents.

k. *Trees.*

- i. Association Responsibility. The Association must trim, prune and remove trees in the Common Area.
- ii. Owner Responsibility. Owners are responsible for trimming and removal of trees on their Lots. Owners must keep the trees on their Lots properly pruned and topped to prevent them from becoming overgrown or diseased. Individual Owners and not the Association are responsible for any damage caused by the trees and shrubs on their Lots. Owners must ensure that no tree, shrub or planting of any kind be allowed to protrude from their Lot onto a sidewalk or street. Trees which overhang a pedestrian walkway or street must be kept free of limbs from the walkway or street to a height of ten (10) feet above the walkway or street.

l. *Utility Lines.*

- i. Association Responsibility. The Association must maintain, repair, and replace all Utility Lines located in the Common Area, except for those installations maintained by utility companies of any kind, whether public, private or municipal.

- ii. Owner Responsibility. Owners must maintain, repair, and replace all Utility Lines that exclusively serve the Lot, wherever located within the Development. The Owners' obligations include repairs and replacements necessary to restore interrupted service to the Utility Lines that exclusively service the Lot, wherever located within the Development.
- m. *Water Damage and Mold.*
 - i. Owner Responsibility.
 - (a) Each Owner is responsible for the maintenance, repair and/or replacement of items within the interior of their Residence, including, but not limited to, cabinets, fixtures, appliances, flooring, and personal property, that may be damaged from water that may leak or flow into the Residence from within the Lot or the Common Area, unless such damage is determined by a court, arbitrator or other tribunal to be caused by the gross negligence or intentional misconduct of the Association, its Board, Officers, or designated agents.
 - (b) Each Owner, and not the Association, is liable for water damage and mold in and to Lots, Common Areas, and any personal property: (i) negligently caused by the Owner, Owner's Tenant or their respective family, guests, or invitees, vendors, or (ii) caused by Owner's negligent failure to mitigate damage from failing to regularly inspect and promptly report signs of water intrusion and leaks, including, but not limited, to roof, door, window and slab leaks.
 - (c) The Association and all Owners must repair, restore or replace any water or mold damaged portions of the Development as required by these CC&Rs. Each Owner is financially liable for any and all damage to the Common Area or other Lots due to the Owner's failure to promptly perform such work. The Association reserves the right to enter any Lot, as permitted by these CC&Rs, to repair, restore, remediate or replace any portion of a Lot in order to protect any Building and Common Area from any damage from water and/or mold. The Association may impose a Reimbursement Special Assessment against any liable Owner for all costs incurred by the Association for any such repairs, restoration, remediation or replacement. The Reimbursement Special Assessment may become a lien against the liable Owner's Separate Interest enforceable by the sale of the Owner's Lot under Civil Code sections 2924, 2924b, and 2924c.

6.2 Easement for Maintenance. Each Owner has easements across Lots and Common Areas as may be necessary for installing, maintaining, repairing, or replacing Utility Lines which cannot reasonably be serviced from their Lots. Access to Lots and Common Areas is limited to a reasonable work area and for a reasonable time. Except in emergencies, reasonable notice and consent to perform such work, which may not be unreasonably withheld, must be obtained from the affected Lot Owner and/or the Association, as applicable. Immediately after the work is completed, Owners must restore affected Lots and/or the Common Areas to the same or better condition than they were in prior to the commencement of such work. Such restoration work on affected Lots and Common Areas must be done promptly at the sole expense of the Owner performing the installation, repair, or maintenance work.

ARTICLE 7: AGE RESTRICTIONS

7.1 Statement of Intent to Provide Housing for Seniors. The Development is "housing for older persons." To the fullest extent permitted by federal, state and local law, it is the intent of the Development to operate as housing for Senior Citizens (that is, persons 55 years of age or older), and to that end, occupancy of Residences in the Development shall be restricted to Senior Citizens, except as otherwise provided.

7.2 Definitions. The following are definitions applicable to this Article.

- a. *"Laws"* means and refers to: the Federal Fair Housing Amendments Act of 1988 (42 U.S.C. §§3601 et seq.), California's "Unruh Civil Rights Act" (California Civil Code §51 et seq.), and California Government Code §12955.9, as the same may be amended from time to time.
- b. *"Permitted Health Care Resident"* means and refers to a Person hired to provide live-in, long-term, or terminal health care to a Senior Citizen, or a family member of the Senior Citizen providing that care. The care provided by a Permitted Health Care Resident must be substantial in nature and must provide either assistance with necessary daily activities or medical treatment, or both.
- c. *"Qualified Permanent Resident"* means a Person who satisfies the following requirements:
 - i. Resided with the Senior Citizen prior to the death, hospitalization, or other prolonged absence of, or the dissolution of marriage with, the Senior Citizen; and
 - ii. Was (A) forty-five (45) years of age or older, (B) a spouse or cohabitant of the Senior Citizen, or (C) providing primary physical or economic support to the Senior Citizen.
- d. *"Qualified Permanent Resident by Virtue of Disability"* means a disabled Person or Person with a disabling illness or injury who is a child or

grandchild of the Senior Citizen or Qualified Permanent Resident as defined above, who needs to live with the Senior Citizen or Qualified Permanent Resident as defined above, because of the disabling condition, illness or injury.

- e. *"Senior Citizen"* means a person fifty-five (55) years of age or older.

7.3 Residency Restrictions.

- a. *Permissible Occupants and Requirement that Eighty Percent (80%) of the Residences Shall be Occupied by a Senior Citizen.* The Persons commencing any occupancy of a Residence in the Development shall include at least one (1) Senior Citizen. All other occupants of the Residence must be either Qualified Permanent Residents, Qualified Permanent Residents by Virtue of Disability, Permitted Health Care Residents, or persons who lawfully occupied the Residence as of January 1, 1985. These Persons shall be collectively referred to as "Qualified Occupants." Notwithstanding the foregoing, no more than twenty percent (20%) of the occupied Residences within the Development shall be occupied solely by Persons who are not Senior Citizens.
- b. *Age Verification.* All occupants of the Development must provide verification of age, in a form ("Age Verification and Information Form") and at the time or times directed by the Board. Such age verification shall occur not less than once every two (2) years. The Board is specifically empowered to enact Rules to assure compliance with Laws regarding housing for older persons, including age verification; furthermore, said Rules may include pre-screening requirements for all Residents in the Development.
- c. *Guests.* A Person not otherwise qualified for residency may remain in the Residence as a guest of the Qualified Occupants, for a period not to exceed sixty (60) days in any calendar year. Any Person who resides in the Residence for more than sixty (60) days in any calendar year shall be deemed a Resident; said person must submit an Age Verification and Information Form as directed by the Board, and must be qualified for residency (that is, must be a Qualified Occupant) in order to remain. For the purpose of calculating the sixty (60) day period described in this Section, presence in the Residence for more than twelve (12) hours of a day, or overnight, shall constitute a day's stay. Notwithstanding the foregoing, if a Person determines to occupy the Residence on a permanent basis, that Person shall become a Resident, and not a Guest, regardless of the length of the stay, and must qualify for residency pursuant to this Article.
- d. *Termination of Residency of Disabled Qualified Permanent Resident by Virtue of Disability.* Any Owner of a Residence in the Development, or the

Board, may take action to prohibit or terminate occupancy by a person who is a Qualified Permanent Resident by Virtue of Disability (as defined above), if the Owner or the governing body finds, based on credible and objective evidence, that such person is likely to pose a significant threat to the health or safety of others that cannot be ameliorated by means of a reasonable accommodation, provided, however, that the termination of residency can take place only after the following:

- i. Notice to the disabled Person and the disabled Person's co-resident parent or grandparent of (A) the basis for the proposed termination of residency, and (B) a hearing before the Board, wherein the disabled persons and/or their co-resident parent or grandparent may be heard on the subject;
 - ii. The notice of hearing shall provide for a hearing date no less than ten (10) days from the date of the notice;
 - iii. The decision to terminate residency of the disabled person shall be made only after due consideration is given to the relevant, credible, and objective information provided in the hearing. The evidence shall be taken and held in a confidential manner, pursuant to an executive (i.e., closed) session in order to preserve the privacy of the affected Persons. The affected Persons shall be entitled to have present at the hearing an attorney or any other person authorized by them to speak on their behalf or to assist them in the matter.
 - iv. Nothing in this provision shall be construed as requiring the Board to take action to terminate a disabled Person's residency.
- e. *Continued Residency of Qualified Permanent Resident.* Upon the death or dissolution of marriage, or upon hospitalization, or other prolonged absence of the Senior Citizen, any Qualified Permanent Resident is entitled to continue their occupancy, residency, or use of the Residence.
- f. *Restrictions Pertaining to Permitted Health Care Residents.* A Permitted Health Care Resident shall not be a Qualified Permanent Resident. However, a Permitted Health Care Resident shall be entitled to continue their occupancy, residency, or use of the Residence in the absence of the Senior Citizen, only if both of the following are applicable:
- i. The Senior Citizen became absent from the Residence due to hospitalization or other necessary medical treatment and expects to return to their residence within ninety (90) days from the date the absence began.

- ii. The absent Senior Citizen or an authorized Person acting for the Senior Citizen submits a written request to the Owner of the Residence, or the governing body of the Development, stating that the Senior Citizen desires that the Permitted Health Care Resident be allowed to remain in order to be present with the Senior Citizen return to reside in the Development.

7.4 Procedural Restrictions Pertaining to Age Restrictions.

- a. *Enforcement.* The Association and any one or more of its Owners or Members shall each be empowered to enforce compliance with all applicable Laws, as such may be amended or supplemented from time to time hereafter. Notwithstanding any provisions regarding enforcement of the restrictions in these CC&Rs, and in addition thereto, the Association and any one or more of its Owners or Members may use any proceeding at law or in equity to enforce the provisions of this Article.
- b. *Compliance with the Law.* If any provisions contained in this Article or within these CC&Rs related to age restricted housing become non-compliant with local, state or federal law, the Association, acting through the Board, shall have the power unilaterally to amend this Article without the necessity of the vote or consent of the Members or any other Person so as to maintain consistency and compliance with the applicable law. Such amendment shall be effective when approved by the Board and recorded in the Official Records of San Diego County.
- c. *Conflicts.* If there is any inconsistency or conflict between the provisions of this Article and any other provision of these CC&Rs, the terms of this Article shall control.

7.5 Notification to Association. In the event of any change in occupancy of a Lot, the Owner of such Lot shall immediately notify the Association in writing and provide documentation to the Association with the names and ages of all occupants of the Lot.

ARTICLE 8: GENERAL RESTRICTIONS

8.1 Antennas. No antennas for transmitting or receiving radio signals or any other form of electromagnetic radiation may be installed, except as provided in the Association's Rules and Regulations, its Architectural Standards, and applicable law.

8.2 Barbecues. Charcoal burners and other open-flame cooking devices shall not be operated within 10 feet of combustible construction, except LP-gas cooking devices having LP-gas container with a water capacity not greater than 2-1/2 pounds [nominal 1 pound (0.454 kg) LP-gas capacity]. Hours of operation, other permissible equipment, and other Rules regarding

barbecue operation may be stated in the Rules and Regulations. Occupants must take reasonable precautions to minimize smoke from entering other Lots.

8.3 Criminal Activity Prohibited. No Person is permitted to engage in criminal activities anywhere within the Development, including, without limitation, within the Common Areas, any Lot and/or Residence. For purposes of this Section “criminal activities” includes, without limitation, drug-related activities (including the illegal manufacture, sale, distribution, use or possession of a controlled substance), gang-related activities, the unlawful use or discharge of firearms, prostitution, or any misdemeanors or felonies enumerated in the California Penal Code, or any federal criminal statute, local ordinance, regulation or other law. In addition, Owners owning a Lot must prohibit, in their lease, rental agreement or otherwise, Persons who engage in criminal activities from occupying their Residence or Lot.

8.4 Drains. Owners are not permitted to interfere with established drainage patterns in the Development unless an alternative provision is made and approved in advance in writing by the Architectural and Residential Landscaping Committee.

8.5 Drilling and Exploration. No Lot is permitted to be used in any manner to explore for, remove, refine, or store any quantities of water, gasoline, oil, hydrocarbons, minerals, gravel, earth, or earth substances of any kind in excess of usual and customary amounts necessary for residential use.

8.6 Drones. A “drone” is defined as a powered aerial vehicle that flies autonomously or is remotely piloted. The operation of drones in the Development, if allowed by the Association, must comply with the Association’s Rules and Regulations, federal and state law. No Person is permitted to operate, cause, allow or authorize the operation of a drone in the airspace above any portion of the Development in such a way as to invade the privacy of Association Owners, guests, Residents or vendors, whether equipped with a camera or otherwise. Prior written approval of the Board of Directors must be given for drone operations that are contrary to this Section or the Association’s Rules and must comply with such terms and conditions as the Board may deem appropriate under the circumstances.

8.7 Flammable Materials. Except for reasonable amounts of legal ammunition for use with legal firearms, the storage or use of explosives, fireworks, or highly flammable or highly corrosive materials by Owners, Tenants, Residents, or their respective family, guests, or invitees anywhere in the Development is prohibited.

8.8 Health/Safety Hazards. Owners must not permit conditions which constitute a health, safety, or fire hazard to exist on their Lots, Patios, storage areas, or Parking Areas.

8.9 Insects and Plant Diseases. No thing or condition is permitted to exist upon any Lot which induces, breeds or harbors infectious plant diseases or noxious insects.

8.10 Laundry. No clothesline or drying rack may be erected, maintained or used in the exterior of the Development, except in an exclusive use backyard of an Owner. The Association

may adopt reasonable Rules and restrictions regarding the use of clotheslines and drying racks as allowed by law. No item may be draped over fences, trees or Patio walls or railings.

8.11 Machinery and Equipment. No machinery or equipment of any kind is permitted to be placed, operated or stored upon or adjacent to any Lot except for such machinery or equipment as is usual and customary in connection with the use, maintenance, repair, or construction of a Lot or its Improvements, and only for as long as is necessary to complete such maintenance, repair, or construction.

8.12 Marijuana and Controlled Substances. The distribution of recreational marijuana and medical marijuana is prohibited. Cultivating marijuana plants outdoors, outside of fully enclosed and secured structures (e.g., Residence or garage), including on the Patio or directly in the ground, is prohibited.

8.13 Nudity. Public displays of nudity are prohibited.

8.14 Nuisance. Owners are prohibited from causing or permitting any act or condition which constitutes a nuisance.

- a. *Unreasonableness*. To constitute a nuisance, the act or condition must be an unreasonable disturbance or annoyance, unreasonably injurious to health, indecent, or unreasonably detrimental to Persons or property.
- b. *Secondhand Smoke*. Any “exfiltration” (air flow outward through a wall, Building envelope, window, etc.) of any noxious odor or smoke, including tobacco smoke, from a Lot, whether through windows, doors, vents, or other means, is prohibited. It is the responsibility of the Owner causing such exfiltration of smoke or odors to prevent it.
- c. *Allergies*. Residents with allergies or sensitivities must, at their own expense, take precautions to protect themselves against commonplace levels of noise, odors, dust, smoke, gases, pollen, or other environmental pollutants.
- d. *Board Determination*. Because a nuisance is largely subjective, the Association is not obligated to become involved in disputes where, in the opinion of the Board, the alleged disturbance does not constitute a nuisance. Despite the Board’s determination, the parties retain the right to take appropriate legal action against each other without involving the Association.

8.15 Obstruction of Common Areas. Obstruction or misuse of the Common Area, for other than its intended purpose, is prohibited, unless expressly permitted in writing by the Board for good cause.

8.16 Ownership Limitation. The vesting of title in and ownership of more than two Lots by the same natural Person or Persons, their agents, assigns, heirs, or nominees or by any corporation, trust organization or other entity, their agents, or nominees, is prohibited.

8.17 Quiet Enjoyment. No one may engage in any behavior, whether verbal or physical, including, but not limited to, the posting or distributing of documents, openly or anonymously, anywhere in the Development, where such behavior is abusive, harassing, threatening, intimidating, defaming, slanderous, unlawfully aggressive, and/or otherwise legally actionable against other Owners, Residents, guests, invitees, Directors, or the Association's management, employees, agents, or vendors. Because such breaches of quiet enjoyment are largely subjective, the Board may choose to act only against egregious breaches. When the Association chooses not to act on a complaint of breach of quiet enjoyment, or the complaining party believes the Association's action is not sufficient, such party may take legal action to enforce this provision against other Owners and/or Residents, but is not permitted and expressly waives their right to take any action, legal or otherwise, including commencing or maintaining a lawsuit against the Association and/or its Officers, Directors, employees, and/or agents for their failure to act on the party's complaint and/or for the manner in which they handled it.

8.18 Residential Use. Using a Lot, or permitting a Lot or any portion of it, to be occupied or used for any purpose other than a private residential dwelling is prohibited. Lots must not be used in any way, directly or indirectly, for any business, commercial, manufacturing, mercantile, storing, vending or other nonresidential purpose. Notwithstanding the foregoing, Residents may use a room in their Lot as a home office, provided that (1) the primary use of the Lot remains as a Residence, (2) no business advertising or signage is used in connection with the home office use, (3) package deliveries are kept to a minimum, and (4) no customers, clients or patients visit the Lot. The Board may adopt additional Rules regarding the use of such home offices.

8.19 Sale of Accessory Dwelling Unit (ADU). Accessory dwelling units ("ADU") must not be sold or conveyed separately from the primary Residence on any Lot unless the City of Vista, County of San Diego has adopted an ordinance, pursuant to Government Code § 65852.2 that allows the Lot owner to create a condominium project for such separate sale or conveyance. In addition to any requirements imposed by the City of Vista, County of San Diego, Owners must not record a condominium plan for the separate sale or conveyance of the primary Residence and ADUs under Government Code § 65852.2 without the Association's approval. For purposes of this Section, approval of the Association means approval of the Board and approval of at least sixty-seven percent (67%) of the Association's Owners. The vote of the Association's Owners must be held pursuant to the requirements of Civil Code §§ 5100-5145. The Owner of the Lot shall be responsible to reimburse the Association for all costs incurred in holding the membership vote. Any Person or entity acquiring title to any ADU or Residence that is sold as a condominium shall not be deemed to be an Owner or Owner of the Association and shall have no voting rights or responsibility to pay the Assessments, unless they are the record Owner of the Lot. The Owner of the Lot shall continue to be an Owner of the Association and shall continue to be solely responsible for all rights and obligations under the Association's Governing Documents, including voting rights, and the obligation to pay Assessments imposed

on the Lot. Junior accessory dwelling units ("JADU") must not be separately sold or conveyed from the primary Residence on the Lot.

8.20 Sale of Lot. The Association may impose restrictions or limitations on open houses, brokers' caravans and other matters relating to the sale of a Lot in the Rules and Regulations.

8.21 Sanitary Conditions. Owners must maintain and repair their Lots and all Improvements thereon in a clean and sanitary condition and not allow rubbish or debris of any kind to accumulate causing any Lot or portion of a Lot to become unsanitary, unsightly, or offensive.

8.22 Satellite Dishes. Satellite dishes may only be installed as provided for in the Rules and Regulations, Architectural Standards, and applicable law.

8.23 Signs, Posters and Flags. Signs, posters, flags, banners, notices, nameplates, cards, and advertisements of any kind may only be displayed to the public view on or from any Lot or in or on any Common Area as allowed by law. Owners may display one sign in a designated area which is of reasonable dimensions and design, advertising that the property is for sale or lease, as allowed by law and subject to any restrictions in the Rules and Regulations. Commercial signs may not be displayed.

8.24 Smoking and Vaping. All smoking, vaping, and use of e-cigarettes is prohibited everywhere in the Common Areas. "Smoking" means, but is not limited to, any practice by which a substance, whether tobacco, marijuana or any other substance, is burned for the purpose of inhaling its smoke. "Vaping" means inhaling water vapor to obtain nicotine, cannabis or any other substance. "E-cigarette" means an electronic device that vaporizes liquid nicotine, cannabis or any other substance. Additional Common Area restrictions concerning Smoking, Vaping and E-cigarette use, consistent with these CC&Rs, may be adopted by the Board.

8.25 Solar Energy Systems. Solar Energy Systems may only be installed after obtaining written approval of the Architectural and Residential Landscaping Committee and as provided for in the Rules and Regulations, Architectural Standards, and applicable law.

8.26 Spas, Hot Tubs and Saunas. No spa, hot tub, or sauna may be installed in any Lot without the written approval of the Architectural and Residential Landscaping Committee or the Board. Such installations must conform to the Association's Architectural Standards.

8.27 Storage. No Lot is permitted to be used at any time for open air storage of building materials, vehicles, implements, tools, furniture, landscaping materials or equipment, irrigation pipes or apparatus, junk, trash or any other things whatsoever; provided, however, that building and landscaping materials, tools or equipment may be placed and maintained on construction sites as provided for in the Architectural Standards.

8.28 Tanks and Receptacles. Installation of any tank for the storage of fuel outside any structure on a Lot is subject to advanced written approval of the Architectural and Residential

Landscaping Committee. Such tanks must be either buried below the surface of the ground or screened by fencing or shrubbery to the satisfaction of the Architectural and Residential Landscaping Committee.

8.29 Time Sharing Prohibited. No Lot or Residence may be divided, used or conveyed on a time increment basis (commonly referred to as "time sharing"). The term "time sharing" is defined to include any agreement, plan, program or arrangement under which the right to use, occupy or possess a Lot or Residence or any portion of a Lot or Residence rotates or changes among various Persons, either corporate, partnership, individual or otherwise, on a periodically recurring basis.

8.30 Trash. Owners must not keep trash on or in any portion of the Lot or the Development except as provided for in the Rules and Regulations. Every outdoor receptacle for trash, rubbish or garbage must be placed, screened, and kept as provided for in the Association's Rules and Regulations. Owners must use only permitted trash receptacles and ensure that such receptacles are visible from the Common Areas only on scheduled trash pick-up days in accordance with the requirements of the applicable City or County and as provided for in the Rules and Regulations.

8.31 Use of Independent Contractors. Owners may use independent contractors to perform work in their Lots subject to the Association's Rules and its Construction Guidelines, if any. Such contractors must be licensed and insured as required by law. The Association is permitted to, but not required to, police or enforce this provision, and has no responsibility or liability for failing to do so. Owners are liable for any injury to Persons or damage to the Common Areas, Lots and any personal property caused by the acts or omissions of such Owner's contractor. The Association is authorized, in its sole discretion, to repair, restore or replace property damaged by an Owner's contractor and is permitted to impose a Reimbursement Special Assessment against the responsible Owner for all costs and expenses incurred by the Association from repairing the damage. The Reimbursement Special Assessment may become a lien against the liable Owner's Lot enforceable by the sale of the Owner's Lot under Civil Code sections 2924, 2924b, and 2924c.

8.32 Utility Service. No lines, wires or other devices for the communication or transmission of electric current or power, including telephone, television and radio signals, are permitted to be constructed, placed or maintained anywhere in or upon any Lot without advanced written approval of the Architectural and Residential Landscaping Committee. Such lines, wires or other devices must be constructed, placed and maintained underground or concealed in, under, or on Buildings or other structures as specified in the Architectural and Residential Landscaping Committee approval. Nothing herein forbids the erection and use of temporary power or telephone services incident to previously approved construction on the Lot.

8.33 Vibrations. No Owner, or Tenant, guest or invitee of an Owner, may operate any fixtures, appliances, furniture, equipment or other devices which cause unreasonable vibrations resulting in unreasonable annoyance to occupants of other Lots and Residences.

8.34 Window Coverings. No window may be covered by paint, aluminum foil, newspapers, bed sheets, cardboard, blankets, or other similar items.

ARTICLE 9: LEASING AND RENTAL LIMITATIONS

In addition to the restrictions found in Article 8, that Owners may not use their Lots for business, commercial, manufacturing, mercantile, storing, or vending purposes, the following residential restrictions apply:

9.1 No Hotel Purposes. Lots and Lot Improvements, including Residences, may not be rented for hotel, fractional or similar purposes.

9.2 No Short-Term and Transient Rentals.

- a. *Prohibited Short Term Rental Period*. Short-term and transient rentals or leases of a Lot for a period of thirty (30) days or less are prohibited.
- b. *Advertising Limitation*. No Lot or Residence may be advertised with Airbnb, VRBO, Flipkey, or by any other means, as being available for rent or lease for a period of thirty (30) days or less or in a manner that would suggest or imply the Lot was available for rent or lease for a period of thirty (30) days or less.

9.3 Lease of Less than Entire Lot. Except for detached accessory dwelling units, no Owner is permitted to lease or rent less than the entire Lot unless an Owner also resides on the Lot. The entire Lot, or any portion thereof as permitted herein, may only be leased or rented under a single lease or rental agreement signed by all adult Tenants occupying the Lot.

9.4 Lease and Rental Requirements.

- a. *Minimum Lease Term*. The minimum term of a lease or rental agreement of a Lot or Lot Improvements, including a Residence, must be for a period greater than thirty (30) days.
- b. *Re-Leasing Within Thirty (30) Days of Lease Start*. If a Tenant terminates their lease or rental agreement or otherwise vacates the Residence or Lot before the end of the term of the lease or rental agreement, the Owner is not permitted to re-lease or re-rent the Residence or Lot until at least thirty (30) days have passed since the beginning of the term of the lease or rental agreement, unless the Owner applies for and receives a hardship exception from the Board.
- c. *No Assignment or Subleasing*. No lease of or rental agreement concerning a Lot or Residence may be assigned. No Lot or Residence may be sublet or subleased.

9.5 Rental Cap. No more than twenty-five percent (25%) of the Lots in the Development may be leased to Tenants at any given time. If an Owner wishes to lease a Lot to a Tenant at a time when twenty-five percent (25%) of the Lots are already being leased, the Owner may appeal to the Board for a special exemption.

- a. *Rental Cap Exception.* All record Owners of a Lot on the date these CC&Rs are recorded may rent or lease their Lot to Tenants regardless of the percentage of rented or leased Lots. Owners must adhere to all other rental or lease prohibitions, restrictions, Rules and requirements.
- b. *Waiting List.* Any Owner wishing to lease a Lot must submit a written request to the Board to ensure the leasing capacity has not been met. When at least twenty-five (25%) of all Lots are leased or rented to Tenants, the Board must maintain a waiting list.
- c. *Lots with Owner in Residence Not Subject to Rental Cap.* Lots are not deemed to be counted toward the rental cap while an Owner resides on the Lot.

9.6 Lease and Rental Agreements and Addendums.

- a. *Leases and Rental Agreements in Writing.* All leases and rental agreements between an Owner and Tenant must be in writing.
- b. *Required Lease and Rental Agreement Provisions.* All provisions of any leases and rental agreements between an Owner and Tenant must be consistent with and not violate any provisions of the Association's Governing Documents. All leases must include, at a minimum, provisions that require Tenants (1) to comply with all provisions of the Association's Governing Documents and (2) to be bound by and subject to the same disciplinary procedures and fines as Owners.

9.7 Governing Documents. Owners must provide their Tenants with the Association's Rules and Regulations and ensure compliance with them.

9.8 Transfer of Common Area Privileges. Any Owners residing offsite, and whose Lot and/or Residence is occupied by others, automatically transfers the Owners' rights to use the Association's Common Area facilities to the Residents until the Owner retakes possession of the Lot.

9.9 Transfer of Occupancy. Owners living offsite must promptly provide the Association with the current name, address, phone number, and email address of each Lot Resident and any changes in such information.

9.10 Repairing Damage. Owners are liable for all damage to the Lots and Common Areas, and any personal property which was caused by the negligent acts or omissions of such Owner, Owner's Tenant, or their respective family, guests, invitees, vendors, or pets. The Association is authorized, in its discretion to repair, restore or replace such damaged property and is permitted to impose a Reimbursement Special Assessment against the liable Owner for all costs and expenses incurred by the Association from repairing, restoring or replacing the damaged property. The Reimbursement Special Assessment may become a lien against the liable Owner's Lot enforceable by the sale of the Owner's Lot under Civil Code sections 2924, 2924b, and 2924c.

9.11 Unlawful Detainer. Owners who lease their Lots and/or Residences must ensure compliance with the Association's Governing Documents by their Tenants. If an Owner fails to take legal action against their Tenant, who is in violation of the Governing Documents, within ten (10) days after receipt of the Association's written demand to do so, the Association is permitted to institute unlawful detainer proceedings on behalf of such Owner and against the Tenant and the Association is hereby granted right of possession to the Lot and/or Residence for such purpose. The Association may be awarded costs of suit and/or attorneys' fees by the court as provided by law.

9.12 Assignment of Rents. As security for the payment of Assessments, fines, and other sums owed to the Association, Owners who lease their Residences pledge their rights as Landlords (including the right to receive rent) to the Association. If an Owner becomes delinquent in payment of Assessments or fines to the Association, the Association is permitted to assign the rents payable by the Tenant to the Association until the Owner's account is paid in full as provided for in Civil Code § 2938 or any other provision of law. During the period of assignment, Owners have no right to collect the assigned amounts from Tenants and may not evict Tenants for complying with the Association's assignment of rents.

ARTICLE 10: PETS

10.1 Pet Limitation. A reasonable number of domesticated pets, as defined in the Rules and Regulations, may be kept on any Lot. No animal is permitted to be kept, bred, or maintained: (i) for any commercial purpose; or (ii) for any purpose that would involve any odor, noise, or other nuisance which would unreasonably disturb the use and enjoyment of any portion of the Development by other Owners. The Board is permitted to adopt additional Rules and Regulations regarding the quantity, kinds and sizes of pets, and tanks which may be kept and other pet issues not conflicting with these CC&Rs.

10.2 Assistance Animals. An animal otherwise prohibited by the Governing Documents, which is kept by a Resident for the purpose of servicing the Resident's qualified disability, may be kept by such Resident provided the animal is properly cared for (i.e., kept healthy, clean, and properly groomed and waste material is properly disposed of) and not unruly or disruptive (e.g., barking, growling, running loose, displaying aggressive behavior, etc.). All pet Rules apply to assistance animals, unless contrary to law.

10.3 Nuisance. The Board is authorized to prohibit any animal which, in its opinion, constitutes a nuisance to other Owners pursuant to evidence provided at a noticed hearing.

10.4 Dangerous Animals. No wild or undomesticated animal, or animal which the Board has determined to be aggressive or dangerous pursuant to evidence provided at a noticed hearing, is permitted to be kept in the Development. The Board is authorized to require dogs found to exhibit aggressive or dangerous behavior to wear a muzzle while in the Common Area until a further determination is made by the Board as to whether the pet will be allowed to remain in the Development.

10.5 Liability. Owners are liable for any injury to Persons or property caused by any animal brought or permitted onto or kept within the Development by the Owner, Owner's Tenant or their respective family, guests, or invitees.

10.6 Control. Pets are permitted in the Common Area, only as permitted by the Rules or this Section. All dogs in the Common Area must be on a leash held by a natural Person capable of controlling the dog. The Association is permitted to remove any unleashed dog found within the Common Areas to a pound or animal shelter under the jurisdiction of the city or county in which the Development is located.

ARTICLE 11: VEHICLES AND PARKING

11.1 Management of Parking. The Association manages and controls the use of all Common Area parking and private streets/fire lanes.

11.2 Restricted Parking. Only the following types of vehicles are permitted to be parked or stored in parking spaces: automobiles, trucks, motorcycles, golf carts, and mopeds. Vehicles must be parked completely within the parking space. No RV, camper, boat, recreational watercraft, trailer, or any other similar vehicle is permitted in any portion of the Common Areas or in any parking space, except in the RV storage lot as provided in the Rules and Regulations. All streets in the Development are designated as fire lanes. Parking shall not be permitted on any street/fire lane within the Development, except in approved, designated and marked parking areas.

11.3 Commercial Vehicles. Commercial vehicles, including pickup trucks one ton or larger panel trucks, tow trucks, stake bed trucks, tank trucks, dump trucks, step vans, concrete trucks, taxis, buses, vans designed for ten (10) people or more, vehicles with commercial signage, and the like, are prohibited, except as provided in the Rules and Regulations.

11.4 Recreational Vehicle Storage Lot. The recreational vehicle storage lot shall be used, subject to such Rules and Regulations as promulgated by the Board of Directors from time to time, solely by Owners and Residents of the Association that own an RV.

11.5 Guest Parking. Guest parking is limited by and subject to the Association's Rules and Regulations. Unless prohibited by law, the Association is permitted to suspend guest parking

rights at a disciplinary hearing due to delinquent Assessments, unpaid fines or other charges, and repeated Rules violations.

11.6 Proper Operating Condition. All vehicles parked or stored outside the Residence must be maintained in proper operating condition, and not be a hazard or nuisance by noise, exhaust emissions, or appearance. All vehicles parked or stored outside the Residence must carry current registration tags and must be insured.

11.7 Electric Vehicle Charging Stations. Owners are permitted, with written approval of the Architectural and Residential Landscaping Committee and/or Board, to install at their own expense an electric charging station compliant with Section 4745 of the Civil Code or any successor statute. Use of Association electricity to power an Owner's electrical vehicle charging station is prohibited unless, following written approval of the Architectural and Residential Landscaping Committee and/or the Board, the Owner has installed an electrical submeter to track electricity usage. The Owner must pay the Association for all Association electricity used by the electrical vehicle charging station. The Association may impose reasonable requirements on the location and installation of the equipment. All electrical work must be done by a licensed electrician with appropriate permits from the Building Department.

11.8 Noise Limitation. All vehicles must be operated quietly.

11.9 Repair of Vehicles. Construction, repair, or servicing of vehicles within any portion of the Development is prohibited. However, emergency repairs are permitted when necessary to move a vehicle to a proper repair facility.

11.10 Fluid Leaks. Owners must keep their driveways, Common Area, and streets in front of their Lots free of fluids such as oil, radiator coolant, brake fluid, power steering fluid, etc. Owners who fail to do so are subject to fines or other discipline, and a Reimbursement Assessment for the cost of cleaning the affected areas.

11.11 Theft or Damage. The Association is not liable for any loss or damage suffered by any Owner, Tenant, or guest due to theft of or damage to any vehicle parked in the Development or vehicle contents, unless resulting from the Association's intentional misconduct or gross negligence.

11.12 Impeding Access. Vehicles must not impede or prevent ready access to any door, gate, entrance, or exit.

ARTICLE 12: ENFORCEMENT OF GOVERNING DOCUMENTS

12.1 Association Enforcement Rights. In addition to any other rights described in these CC&Rs and without waiving the Association's right to institute any other enforcement measures, and subject to the notice and hearing provisions in the Bylaws and as required by law, the Association is authorized to enforce the Governing Documents by any of the following means:

- a. *Monetary Penalties (Fines).* The Board is authorized to assess reasonable monetary penalties (fines) for violations of the Association's Governing Documents by an Owner, Owner's Tenants or their respective family, invitees or guests. A monetary penalty (fine) imposed by the Association as a disciplinary measure for failure of an Owner to comply with the Association's Governing Documents, is hereby treated and deemed to be an Assessment that may become a lien against the Owner's Separate Interest, but such lien may not be enforced by the sale of the interest under Sections 2924, 2924b, and 2924c (non-judicial foreclosure). As Assessments, Owners are liable for all costs of collection, including reasonable attorneys' fees, court costs, and related expenses for delinquent monetary penalties (fines).
- b. *Suspend Common Area Privileges.* The Board is authorized to temporarily suspend Common Area privileges of Owners, Owner's Tenants and their respective family, invitees, and guests for their failure to comply with the Association's Governing Documents. Any such suspension must be for a period of time not to exceed thirty (30) days for each noncontinuing violation. For continuing violations, the suspension may be imposed for as long as the violation continues.
- c. *Dispute Resolution.* As to any dispute between an Owner and the Association, the Association is authorized to engage in Internal Dispute Resolution and/or Alternative Dispute Resolution as provided for in the Governing Documents and the law.
- d. *Judicial Enforcement.* A lawsuit may be filed for damages, declaratory relief, injunctive relief (whether the relief sought is mandatory or prohibitory) and/or such other relief permitted by law.

12.2 Cumulative Remedies. The respective rights and remedies, provided by the Governing Documents, under the law, or available in equity, are cumulative and the exercise of any one or more of such rights or remedies does not preclude or affect the exercise, at the same or at different times, of any other such rights or for the same or different failures of the Owners or others to perform or observe any provision of the Governing Documents.

12.3 Failure to Enforce Not a Waiver. Failure to enforce the Governing Documents, whether by the Board or any Owner or other Person entitled to enforce them, is not deemed a waiver of the right to do so. Waiver or attempted waiver of any provision of the Governing Documents with respect to a given Lot is not deemed a waiver of such right as to any other Lot. Additionally, violation of any provision of the Governing Documents by the Owners owning any Lot or Lots does not affect the applicability or enforceability of any provision of the Governing Documents against the Owners owning any other Lot.

12.4 Remedy at Law Inadequate. If remedies at law for violation of the Association's Governing Documents are inadequate, then equitable, declaratory, and/or injunctive relief may be sought and awarded.

12.5 Right of Action Against Buyer. If an Owner fails to correct architectural, nuisance, or other continuous violations concerning the Owner's Lot prior to the transfer of title to the Lot to a buyer, the Association retains the right to enforce compliance against the buyer for such violations.

12.6 Attorneys' Fees. If any party initiates any action or proceeding to enforce or interpret the Governing Documents or California law relating to the Development, the prevailing party is entitled to recover reasonable attorneys' fees and court costs, including reasonable expert fees, as permitted by law.

ARTICLE 13: RIGHT OF ENTRY

13.1 Limited Right of Entry. During reasonable hours and subject to the notice requirements contained in this Article, the Association's representatives, employees, and vendors are authorized to enter Lots and Common Areas: (i) to inspect and perform maintenance, repairs, or replacements to the Common Areas; or (ii) to mitigate or repair damage; or (iii) to inspect the Lots to ensure compliance with the Governing Documents.

13.2 Notice of Entry. The Association must give at least three (3) business days' written notice by personal delivery, or five (5) calendar days' written notice by first class mail or email, to the Resident and a Lot Owner, stating the purpose for and time of the entry. Email notification may be used only if the recipient previously consented to receive such notices and communications from the Association by email.

13.3 Avoid Unreasonable Interference. The right of entry must be exercised to avoid unreasonable or unnecessary interference with the possession, use, and enjoyment of the Owner or Resident of such Lot.

13.4 Emergency Entry. In an emergency, the Board or its authorized representatives may enter the Lot without permission and is not subject to liability to the Owner or Resident for such entry. If exercised in good faith, such entry is deemed to be consented to by all Owners and does not constitute trespass or any other wrongful act. If the Association must damage or destroy property to gain access to the Lot, the Owner will have no right of action against the Association or its representatives for such damage or destruction. However, the Association must repair any such damage or destruction if the emergency did not originate in the affected Lot. Prior to emergency entry, if feasible, the Board must make a good faith effort to contact an Owner owning the Lot.

13.5 Refusal to Allow Entry.

- a. *Entry by Court Order*. Following any refusal to expressly grant entry permitted in these CC&Rs, the Association may file suit and seek a court

order to gain entry authorized in these CC&Rs. However, if the Owner owning the Lot or a Resident of the Lot has expressly prohibited entry authorized in these CC&Rs, the Association's representatives are permitted to gain entry only after filing suit and obtaining a court order.

- b. *Entry without Court Order.* If the Owner owning the Lot or a Resident of the Lot does not expressly prohibit entry authorized in these CC&Rs, but is unavailable or otherwise refuses to expressly grant access, the Association, through its representatives, are permitted to enter the Lot, without a court order, in the manner permitted elsewhere in this Article. Such Persons entering with no court order, when acting in good faith, are not liable for trespass or any other unintentional damages resulting from such entry.
- c. *Recovery of Attorneys' Fees and Costs in Lawsuit.* If the Association files a lawsuit to gain entry and prevails, it is entitled to recover from the Owner, by judgment, all expenses the Association incurred because of refusal to allow entry, including, without limitation, the cost of hiring a locksmith, the cost of repairing damage that was reasonably necessary to gain entry, and reasonable attorneys' fees and costs of suit for enforcement of this provision of the CC&Rs as the court may order.
- d. *Expenses Not Recovered as Part of a Lawsuit.* If the Association gains entry without a court order and/or chooses not to seek recovery of its expenses in a lawsuit, it is permitted to recover all expenses it incurred because of an Owner's refusal to allow entry, including, without limitation, the cost of hiring a locksmith and the cost of repairing damage that was reasonably necessary to gain entry, but excluding attorneys' fees, by a Reimbursement Special Assessment against the Owner, enforceable by all means provided for in these CC&Rs and by law, including lien and foreclosure.

13.6 Damage Repaired by Association. Any damage caused by the Association to the Common Areas or Lot Improvements must be promptly repaired by the Association to original building construction standards. The Association is authorized to recover the cost of any damage caused by others, but repaired by the Association, by a Reimbursement Special Assessment (if caused by an Owner, an Owner's Tenant, family member, invitee or guest), or any other legal means against the responsible parties.

13.7 Power to Vacate Lot. The Association is permitted to require Residents to vacate a Lot to allow maintenance, repair or replacement of the Association's Common Areas or other areas for which the Association is obligated. All costs of temporary relocation during the maintenance, repair or replacement of the areas within the responsibility of the Association must be borne by the Owner owning the Separate Interest affected, and not the Association, as provided for in the Davis-Stirling Act. Such temporary relocation costs include, without limitation, food, lodging, lost rent or other income, and any other associated expenses incurred

by the Owner. However, it is the Association's duty to diligently make such repairs reasonably quickly.

- a. *Notice.* The Board must give notice of the need to temporarily vacate a Residence or Lot to Residents and Owners not less than fifteen (15) days prior to the date of the relocation. The notice must state the reason for the temporary relocation, the date and time of the repairs, and the anticipated date and time of completion of repairs. Notice must be either by personal delivery or first-class mail to the address shown on the books of the Association.
- b. *Duty to Vacate.* Owners and Residents must cooperate with the Association and, if requested by the Association, vacate their Residences or Lots to allow the Association to perform its obligations. If not, the Association may file a lawsuit to require cooperation and/or for the Residence or Lot to be vacated.
- c. *Recovery of Attorneys' Fees and Costs in Lawsuit.* If the Association files a lawsuit to require cooperation and/or require the Residence or Lot to be vacated and prevails, it is entitled to recover from the Owner, by judgment, all expenses the Association incurred because of refusal to cooperate and/or vacate, including, without limitation, reasonable attorneys' fees and costs of suit for enforcement of this provision of the CC&Rs as the court may order.

13.8 Entry by Owner. Each Owner must permit other Owners and their representatives to enter their Lot to perform installations, alterations, or repairs to the mechanical or electrical services to a Lot, if: (i) requests for entry are made in advance; (ii) entry is made at a time reasonably convenient to the Owner whose Lot is being entered; and (iii) the entered Lot is left in substantially the same condition as existed immediately preceding such entry. Any damage to the Lot caused by entry must be repaired by the entering Owner. Both the Owner allowing entry and the Owner gaining entry must hold harmless and defend the Association and its Officers, Directors, Committee members, Owners, agents, and employees against claims of damage or injury resulting from one Owner's entry into another Owner's Lot.

ARTICLE 14: ASSESSMENTS

14.1 Purpose of Assessments. The general purpose of Assessments is to provide for the recreation, health, safety, and welfare of the Owners, enforce and comply with the Governing Documents, manage the Development, enhance the quality of life in the Association, improve, maintain, repair, and replace Common Areas, provide for the acquisition and maintenance of property, services and facilities devoted to these purposes, and for any action or undertaking on behalf of the Association.

14.2 Regular Assessment. The Board must levy Regular Assessments in an amount sufficient to provide for the performance by the Board of each and every one of its powers and duties provided, however:

- a. *20% Limitation.* Pursuant to the Davis-Stirling Act, the Board is not permitted, without the approval of Owners casting a majority of the votes with a Quorum present, to impose a Regular Assessment which is more than twenty percent (20%) greater than the Regular Assessment for the immediately preceding fiscal year. Quorum for the purposes of this provision means more than fifty percent (50%) of the Members of the Association.
- b. *Uniform Rate of Assessment.* Regular Assessments must be fixed at a uniform rate for all Lots.
- c. *Payable Monthly.* Regular Assessments are payable by each Owner against whom assessed in twelve (12) equal monthly installments on the first day of each calendar month or at such other dates and in such other installments as the Board determines. Assessments for new Owners must be prorated in the first month of membership according to the date on which the individual becomes an Owner.
- d. *Written Notice.* Individual notice under Civil Code § 4040 of any increase in Regular Assessments must be given to each Owner not less than thirty (30) days nor more than sixty (60) days prior to the increased Assessment becoming due.
- e. *Modification of Assessment.* The Board may modify the Regular Assessments during the course of a fiscal year if necessary to conform to a revised estimate of costs and expenses. However, if the aggregate increase exceeds twenty percent (20%) of the Regular Assessment for the immediately preceding fiscal year, the Board must obtain the approval of Owners as provided for in the Davis-Stirling Act. If an annual Regular Assessment is not published for a new fiscal year, the Regular Assessment for the prior fiscal year will apply and govern each Owner's payments until changed by a new Regular Assessment.

14.3 Special Assessment. In addition to the Regular Assessment, the Board may levy a Special Assessment for any purpose necessary for the Association to carry out its duties; provided, however:

- a. *5% Limitation.* Pursuant to the Davis-Stirling Act, the Board is not permitted, without the approval of Owners casting a majority of the votes with Quorum present, to impose a Special Assessment which is more than five percent (5%) of the budgeted gross expenses of the Association for such fiscal year. Quorum for purposes of this provision means more than fifty percent (50%) of the Members of the Association.
- b. *Uniform Rate of Assessment.* Special Assessments are fixed at a uniform rate for all Lots.

- c. *Reimbursement Assessments.* Special Assessments are also permitted to be levied against individual Lots for reimbursement of expenses incurred by the Association arising out of actions or omissions of such Owner, Owner's Tenant, or their respective family, guests, invitees or pets, as expressly provided for elsewhere in these CC&Rs.
- d. *Payment Schedule.* Special Assessments are payable by each Owner against whom assessed either monthly or at such dates and in such installments as the Board determines.
- e. *Written Notice.* Written notice of Special Assessments must be sent by first-class mail to each Owner not less than thirty (30) days nor more than sixty (60) days prior to the Assessment becoming due.

14.4 Emergency Assessment. In emergency situations, the Board may increase Regular Assessments beyond twenty percent (20%) or impose Special Assessments above five percent (5%) only as provided for by law.

14.5 Deposit of Assessments. All sums received by the Association must be promptly deposited into accounts clearly designated in the Association's name.

- a. *Commingling.* The Association must maintain separate accounts for its operating funds and its Reserves, respectively, and no funds from those separate accounts are permitted to be commingled at any time.
- b. *Interest.* No Owner has the right to receive interest on any such funds deposited.

14.6 Reserves. All Reserves, must:

- a. *Be Segregated.* Be received in trust by the Board, set aside and segregated from the other monies and not be commingled with the Association's Operating Account.
- b. *Be Invested.* Be invested in low-risk investments consistent with the requirements of Civil Code § 5380. Reserves must be deposited in a financial institution, as defined in the Financial Code § 31041, in California, which is insured by the federal government, the Federal Deposit Insurance Corporation, the National Credit Union Administration Insurance Fund, or a guaranty corporation subject to the Financial Code § 14858 and only into accounts that protect the principal. In no event may reserve funds be invested in stocks or high-risk options.
- c. *Require Two Signatures.* Be withdrawn from the Reserve Account only upon approval by the Board and the signature of two (2) Directors.

- d. *Not Be Reimbursed to Owners.* All contributions to the Reserves, as well as interest earned, are for the benefit of the Association and not to benefit any individual Owner. As such, contributions and interest are not refundable to Owners when they cease to be Owners of the Association.

ARTICLE 15: ENFORCEMENT OF ASSESSMENTS

15.1 Liability for Assessments. Assessments, together with charges, interest, costs, and attorneys' fees (regardless of whether legal proceedings are instituted), are a debt of each Owner of a Separate Interest at the time the Assessment or other sums are levied. Co-owners and/or Owners owning a full or partial interest in a Lot are jointly and severally liable for the entire amount of all Assessments, late charges, interest, reasonable costs of collection, reasonable attorneys' fees, and monetary penalties.

15.2 Enforcement Rights. In addition to any other rights provided for by law or described in these CC&Rs, the Board has the right to collect delinquent Assessments as follows:

- a. *Late Fees and Interest.* Unpaid Assessments are deemed delinquent fifteen (15) days after they are due and are subject to a late charge of the greater of either ten percent (10%) or ten dollars (\$10.00), which may not be imposed more than once on any delinquent payment, and interest at the rate of twelve percent (12%) per annum, which may commence thirty (30) days after the Assessment becomes due.
- b. *File Suit.* The Association is authorized to commence and maintain a lawsuit directly on the debt without waiving its right to establish a lien and initiate foreclosure against the Owner's Lot for the delinquent Assessment. In any action to collect delinquent Assessments, late charges and/or interest, the prevailing party is entitled to costs and reasonable attorneys' fees. All amounts included in any judgment may become the subject of a judgment lien in any county in California in which an abstract of judgment is recorded.
- c. *Lien and Foreclose.* In accordance with the Davis-Stirling Act, a delinquent Assessment or installment, together with any late charges, interest, costs, attorneys' fees, and penalties, will become a lien on the Lot upon the recordation of a "Notice of Delinquent Assessment" in the Office of the County Recorder. The Board is permitted to enforce any Assessment lien against a Lot by filing an action for judicial foreclosure or by nonjudicial foreclosure in the manner provided for in the Davis-Stirling Act. The Association, through its Board, is authorized to bid on the Lot at the sale and may hold, lease, mortgage, and convey the acquired Lot as permitted by law.
- d. *Continuing Lien.* Any demand or claim of lien or lien on account of prior delinquencies is deemed to include subsequent delinquencies and amounts

due on account thereof. It is the intent of these CC&Rs that any lien recorded against a Separate Interest by the Association to secure payment of delinquent Assessments and/or other amounts be a continuing lien to include any and all subsequent Assessments and other amounts as permitted in the Davis-Stirling Act, to the full extent allowed in *Bear Creek Master Ass'n v. Edwards*, (2005) 130 Cal. App. 4th 1470.

- e. *Suspend Privileges*. Subject to the notice and hearing provisions set forth in the Bylaws, the Association is authorized to suspend membership privileges, except voting rights, until the delinquent Assessments, fees and fines, including any accumulated penalties, interest, and costs of collection have been paid in full.
- f. *Additional Remedies*. The remedies provided in this Section are in addition to, not in substitution for, any other rights and remedies which the Association may have.

15.3 No Offsets. All Assessments are payable in the amount specified by the Assessment and no offsets against such amount are permitted for any reason, including, without limitation: (i) a claim that the Association is not properly exercising its duties and powers, as provided in these CC&Rs; (ii) an Owner has not made or elects not to make use of the Common Area; (iii) any maintenance, repairs or replacements for which the Association is responsible have not been performed or have not been performed to an Owner's satisfaction.

15.4 No Exemption by Waiver of Use. Owners are not permitted to exempt themselves from liability for Assessments nor release their Lots from liens and charges by waiver of their use and enjoyment of the Common Areas, by abandonment of their Lots, or through non-use of Common Areas or membership privileges.

15.5 Attorneys' Fees. Any reasonable attorneys' fees and costs incurred by the Association in the collection of Assessments, late fees, and interest against an Owner may become a Reimbursement Special Assessment against that Owner, which may be collected in any manner provided for by these CC&Rs or by law.

15.6 Non-Waiver of Assessments. If the Board fails to approve a Budget or fix the Assessments for the current year, the Budget and Assessments from the preceding year continue until a new Budget is approved and new Assessments are fixed.

ARTICLE 16: INSURANCE

16.1 Association Insurance. The Association must obtain and maintain policies of insurance as described below. To help keep premiums at a reasonable level, the Board is authorized to establish appropriate deductibles for its policies of insurance. Unless otherwise determined by the Board, coverage must be on an occurrence basis.

- a. *Automobile Liability Insurance.* If appropriate, the Association is permitted to purchase non-owned and hired automobile liability coverage and garage-keepers legal liability coverage.
- b. *Boiler and Machinery Insurance.* If appropriate, the Association is permitted to purchase insurance for the loss or damage to or as a result of equipment failures such as boilers, pressure vessels, pressure pipes, motors, mechanical breakdowns, electrical failures, and the like.
- c. *Commercial General Liability ("CGL").* The Association must maintain one or more CGL policies which provide appropriate liability limits for injury or death to one or more Persons in any one accident or occurrence. The Association must carry coverage in amounts that meet or exceed those called for in Civil Code § 5805 and any successor statutes.
- d. *Direct Physical Loss.*
 - i. Generally. Unless unavailable, the Association must maintain one or more policies for loss or damage by fire or other perils covered by the standard "Special Form" policy (or its equivalent) covering all Common Area Improvements in the Development, and such other Improvements in the Development as the Board may deem appropriate.
 - ii. Coverage Levels. The amount of such insurance must not be less than one hundred percent (100%) of the aggregate full insurable value, meaning replacement cost, not a depreciated amount or actual cash value (ACV), if available and economically feasible. If coverage for one hundred percent (100%) of the aggregate full insurable value of the insured property is not available through one or more carriers, the Association must obtain coverage for the highest percentage of the property available to the extent such percentage is also economically feasible. When determining economic feasibility for a given amount of coverage, the Board may consider:
 - (a) The difference in cost between different percentages of coverage;
 - (b) The relative risks of experiencing different percentages of loss, such as the risk of a 50% loss vs. a 100% loss;
 - (c) Actual or anticipated increases in other required Association expenses;
 - (d) The general financial health of the Association including its Reserves and delinquency status;

- (e) The general ability of the membership to bear the cost of increased Assessments to pay for increased premiums; and
 - (f) Such other financial and economic factors that a reasonable Board would consider under the circumstances.
- iii. Blanket Basis. The coverage must be written on a blanket basis with an agreed value endorsement and an inflation guard endorsement, if available.
- iv. Ordinance or Law Coverage. If available and economically feasible, the Association must provide "Ordinance or Law Coverage" or its equivalent, including:
 - (a) Coverage for Loss to the Undamaged Portion of the Building or structure.
 - (b) Demolition Cost Coverage.
 - (c) Increased Cost of Construction Coverage.
- v. Maintenance Fee Receivable Coverage. If available and economically feasible, the Association must provide "Maintenance Fees Receivable" coverage, or its equivalent, to cover the loss from unpaid or uncollected Assessments resulting from a covered property loss.
- vi. Other Coverage. The Association may include such other endorsements which the Board may deem necessary or reasonable.
- e. *Directors and Officers*. The Association must purchase Directors and Officers errors and omission insurance insuring the Association, Directors, Officers, Committee members, trustees, Association employees, Association volunteers, any community manager in contract with the Association, any management company in contract with the Association and employees of such Association management company who perform services on behalf of the Association. The Association must carry coverage in amounts that meet or exceed those called for in Civil Code § 5800 and any successor statutes.
- f. *Earthquake Insurance*. The Association may purchase earthquake insurance, after considering the cost and availability.
- g. *Employment Practices Liability*. The Association should consider purchasing employment practices liability coverage (whether or not it has employees), when available and affordable.

- h. *Crime Insurance and Fidelity Bond.* The Association must maintain crime insurance, employee dishonesty coverage, fidelity bond coverage, or their equivalent, for its Directors, Officers, and employees in an amount that is equal to or more than the combined amount of the Reserves of the Association and total Assessments for three months. The coverage maintained by the Association shall also include protection in an equal amount against computer fraud and funds transfer fraud. If the Association uses a managing agent or management company, the Association's crime insurance, employee dishonesty coverage, fidelity bond coverage, or their equivalent, shall additionally include coverage for, or otherwise be endorsed to provide coverage for, dishonest acts by that Person or entity and its employees. Self-insurance does not meet the requirements of this Section.
- i. *Flood Insurance.* When required by any first mortgage holder, Fannie Mae, Freddie Mac, or the Fair Housing Administration (FHA), the Association must purchase flood insurance on any portion of the premises that Federal Emergency Management Agency (FEMA) determines to be in a Special Flood Hazard Area (SFHA). Otherwise, the Association may purchase flood insurance, after considering the cost and availability.
- j. *Umbrella Policy.* The Association may purchase an excess or umbrella policy over its public liability and property damage, Directors and Officers liability, and workers' compensation policies to provide higher liability limits as the Board determines.
- k. *Workers' Compensation.* The Association must carry workers' compensation insurance as required by law to cover employees of the Association. If available, the Association is also permitted to purchase a Voluntary Labor Endorsement to protect its volunteers.

16.2 Owner Obligation to Carry Insurance.

- a. *Owner Insurance.* At their sole expense, Owners must purchase and maintain insurance covering their real and personal property whether the Lot is Owner occupied, vacant or held out for rent. This includes, without limitation:
 - i. Personal property coverage that insures the contents of their Lot against damage or loss;
 - ii. Real property coverage that insures their Lot against damage or loss, including, but not limited to, all Improvements to the Lot and all fixtures and components within or appurtenant to the Lot;
 - iii. Premises liability that includes protection for bodily injury and property damage;

- iv. Personal liability coverage with a policy limit of at least One Million Dollars (\$1,000,000);
 - v. Loss of use that protects an Owner for additional living expenses, loss of rents, or any other losses should their Lot become uninhabitable due to a covered loss;
 - vi. Loss assessment coverage that protects against Special Assessments due to a loss which exceeds the Association's master policy limits or deductible; Master policy deductible coverage, and;
 - vii. Such other coverage as the Owner deems appropriate.
 - viii. The Owner's policy shall be the primary policy for any claims for damages or loss of the Owner's property.
- b. *Automobile Coverage.* If an Owner operates a vehicle which is driven across or stored in the Association's Common Areas, the Owner must carry appropriate automobile insurance. The Association has no obligation to police this provision and is specifically relieved of any responsibility or liability from doing so or failing to do so.
 - c. *Waiver of Claims.* Owners waive their claims against the Association to the extent such claims are covered under insurance which Owners are required to carry under these CC&Rs, regardless of whether Owners actually carry such insurance.
 - d. *Assignment of Proceeds.* If any loss intended to be covered by the Association's insurance occurs and the proceeds payable by the Association's insurance are reduced because of proceeds paid under an Owner's insurance coverage, that Owner must assign such insurance proceeds to the Association, to the extent of the reduction. The Board must apply those proceeds to the same purposes as the reduced proceeds received by the Association.
 - e. *Waiver of Subrogation.* All insurance policies maintained by an Owner must include a waiver of subrogation clause against the Association.

16.3 Responsibility for Deductible and Uncovered Losses.

- a. *Intentional or Negligent Acts.* If any Common Area property is damaged as a result of the intentional or negligent acts or omissions of any Owner, Owner's Tenant, or their respective family, guests, invitees, vendors, or pets and a claim is tendered to the Association's insurance carrier, the Owner will be solely responsible for paying any portion of the claim not paid due to the deductible.

- b. *Non-Negligent, Unintentional Acts.* If any property damage loss which results from a failure of any component, element or portion of the Development and did not result from a negligent or intentional act or omission is tendered to the Association's property damage policy, the Association will apportion the deductible of such policy or policies amongst all claimants according to the percentage each claim bears against the total of all claims for the loss when distributing the Association's insurance proceeds to the various claimants.
- c. *Uncovered Losses.* Apart from deductibles as set forth above, responsibility for any losses for which the Association's property damage policy does not provide coverage will be determined according to the maintenance, repair and/or replacement provisions set forth in these CC&Rs and/or the law.

16.4 Liability for Increased Insurance Rates. If any negligent act or omission of any Owner, Owner's Tenant, or their respective family, guests, invitees, vendors, or pets causes an increase in the cost of the Association's insurance, the amount of the increase may be assessed against the Owner and their Lot as a Reimbursement Special Assessment.

16.5 Choice of Contractor. With respect to any repairs for which proceeds of insurance are paid or are payable to the Association, the Board must designate the contractor to perform the repairs to the Common Areas.

16.6 Insurance Company Rating. All policies of insurance required by this Article must be issued by either a California admitted insurance company or an approved carrier on the California List of Approved Surplus Line Insurers (LASLI). Each such carrier must hold an A.M. Best Insurance or Standard and Poor's rating of "A" or better.

ARTICLE 17: PROTECTION OF LENDERS

17.1 Furnishing of Information. Each Lender is, upon written request, entitled to inspect the books and records of the Association during normal business hours and receive written notice of Board and membership meetings and designate a representative to attend such meetings.

17.2 No Priority Over Rights of First Mortgagees. Nothing in these CC&Rs gives an Owner or any other party priority over any rights of first Mortgagees of Lots, pursuant to their Mortgages, in the case of a distribution to Owners of insurance proceeds or condemnation awards for losses to or taking of Lots and/or the Common Area. Additionally, if any Lot or any portion of a Lot is made the subject matter of any condemnation or eminent domain proceeding, no provision herein entitles the Owner, or any other party, to priority over a first Mortgagee of a Lot, concerning any distribution of the proceeds of any award or settlement.

17.3 Relationship with Assessment Liens. Any lien that the Association may have on any Lot for the payment of Assessments subordinates to the lien or equivalent security interest of any Lender with a first trust deed or Mortgage on the Lot, made in good faith and for value, and

no such lien impairs the obligation or the priority of such trust deed or Mortgage, unless the Lender expressly subordinates its interest, in writing, to such lien.

17.4 Foreclosure. Any holder of a first Mortgage who takes title to a Lot, pursuant to the remedies provided in the mortgage, through foreclosure of the Mortgage takes the property free of any claim for unpaid Assessments or charges against the mortgaged Lot which accrued prior to the time such Person takes title to the Lot.

17.5 Priority of Mortgage Lien. No breach of any provision of these CC&Rs nor the enforcement of any lien created herein affects, impairs, defeats, or invalidates the lien of any Mortgage or deed of trust made in good faith and for value, but these CC&Rs are binding upon any Owner whose title is derived through foreclosure, trustee sale, or otherwise.

17.6 Payment of Taxes and Charges. Lenders may, jointly or singly, pay taxes or other charges which are in default and which may or have become a charge against any portion of the Common Area and may pay overdue premiums on hazard insurance policies or secure new hazard insurance coverage on the lapse of a policy for such Common Area. Lenders making such payments shall be owed immediate reimbursement from the Association.

ARTICLE 18: LIMITATIONS OF LIABILITY

18.1 Standard for Liability. Officers, Directors, Committee members, employees, or agents are not responsible to the Association, or any Owner, Owner's Tenant, or their respective family, guests, or invitees for any loss or damage to the Association, or any Person or property suffered by reason of water, fire, smoke, explosion, electricity, dust, sand, insect or rodent infestation, or any other source, unless there is clear and convincing evidence the damage or loss was caused by the willful, intentional or bad faith misconduct of the Association's Officers, Directors, Committee members, employees, or agents, based upon the information such individual possessed at the time of the purported act or omission. The Association's Officers, Directors, Committee members, employees and agents cannot be held strictly liable for their acts or omissions.

18.2 Limited Personal Liability. No Officer, Director, Committee member, or employee of the Association is personally liable for any loss, injury, or damage to Persons or property for any act or omission, if the act or omission was performed in good faith, within the scope of the Person's duties for the Association, was not self-dealing, and did not constitute willful or intentional misconduct.

18.3 Association Not a Security Provider. The Association is authorized to provide security measures in the Development. However, the Association is not a provider of security and has no duty to provide any security in the Development. The obligation to provide security lies with each Owner individually. The Association cannot be held liable for any harm, loss or damage to Persons or property by reason of failure to provide adequate security or ineffectiveness of security measures undertaken. This includes, but is not limited to, any harm, loss or damage from theft of or damage to any article or thing placed or stored in or on any portion of the Common Area.

18.4 Duty to Defend. The Association must indemnify and defend and must advance reasonable attorneys' fees and costs to its Officers, Directors, Committee members, and employees for all expenses and liabilities reasonably incurred by such Person(s) regarding any proceeding (including, but not limited to, alternative dispute resolution proceedings) to which they are a party by reason of having been an Officer, Director, Committee member, or employee of the Association. However, the Association may seek recovery of its attorneys' fees and costs from, and is not liable for, any judgments or other liabilities for the acts or omissions of, any Persons adjudged to have acted in bad faith or in gross negligence in the performance of their duties to the extent permitted by law.

18.5 Duty to Protect. The Association must protect its Officers, Directors, Committee members, and employees from unlawful harassment in the workplace as such phrase is defined in the law. However, the Association has no duty to prosecute or fund the prosecution of any claim or cause of action which an Officer, Director, Committee member, or employee of the Association asserts against another Officer, Director, Committee member or employee of the Association, or against an Owner, which is (1) not based on conduct of the accused performed in the course and scope of their duties (2) founded on personal issues or disputes between the parties, (3) for personal injuries or emotional distress, or (4) for defamation.

18.6 Personal Injury or Property Damage Sustained Within a Lot. This Section applies if any Person sustains personal injury or property damage within a Lot and the injury or damage results in a claim against the Association or any of its Officers, Directors, Committee members, Owners, agents, or employees. The Owner of the Lot where the injury or damage occurred must: (i) fully indemnify and hold harmless the Association, Officer, Director, Committee member, Owner, agent, or employee against whom such claim or suit is brought; and (ii) defend, at their own cost and expense, any resulting litigation against the Association, Officer, Director, Committee member, Owner, agent, or employee. However, there is no obligation to hold harmless, defend or indemnify any party whose gross negligence or willful misconduct was the cause of the injury or damage.

18.7 Actions Against Directors. Owners are not permitted, and waive all rights, to file an action or state any cause of action in any pleading against a Director or Officer of the Association, acting within the scope of that Person's duties as a Director or Officer unless the court first determines that the Owner seeking to file the pleading has established evidence that substantiates the claim.

ARTICLE 19: DAMAGE/DESTRUCTION TO IMPROVEMENTS

19.1 Generally. All provisions of this Article apply only when the Common Area has been partially or totally destroyed by fire, earthquake, groundwater flooding or other similar casualties.

- a. *Cost of Reconstruction.* As soon as practical, the Board must: (i) obtain bids from at least two (2) reputable contractors that are licensed in California and insured, which bids must set forth in detail the work required to reconstruct

the damaged or destroyed portions of the Common Area to substantially the same condition as they existed prior to such damage and the itemized cost of such work (subject to any increased building standards then in effect); and (ii) determine the amount of all insurance proceeds and Reserves available to the Association for the purpose of effecting such reconstruction.

- b. *Automatic Reconstruction.* If the cost to reconstruct the Common Areas, excluding the deductible and the value of any insurance proceeds due the Association, is less than or equal to three times the amount of the total annual operating Budget of the Association for the current fiscal year, the Board, without a vote of the membership, must cause the Common Area to be reconstructed to substantially the same condition as existed prior to such damage (subject to any increased building standards then in effect). Such reconstruction must be completed as promptly as practical. Notwithstanding any other provision, the Board is authorized, without a vote of the membership, to levy an Emergency Special Assessment against the membership to provide the funds necessary for such reconstruction and/or for repayment of any monies borrowed by the Association for such reconstruction.
- c. *Ownership Approval.* If the Board determines that the cost to reconstruct the Common Areas, excluding the deductible and the value of any insurance proceeds due the Association, is an amount greater than three times the total annual operating Budget of the Association for the current fiscal year, then the Common Areas must be reconstructed unless sixty-seven percent (67%) of the membership, by ballot or at a special meeting called for such purpose, vote not to reconstruct the damaged or destroyed Common Areas.
- d. *Distribution of Insurance Proceeds.*
 - i. No Partition Action Promptly Filed. If a partition action is not filed within six (6) months of the partial or total destruction, the Board must distribute the insurance proceeds available for reconstruction, together with any other sums otherwise available to the Association for such purpose, to the Owners equally, less costs for clearing the debris, collecting insurance proceeds, and any other expenses necessarily incurred as a result of the damage or destruction. Such payment is subject to rights of Mortgagees holding Mortgages encumbering Lots and all unpaid Assessments, together with any interest charges.
 - ii. Partition Action Promptly Filed. If a partition action is filed within six (6) months of the partial or total destruction, the Association must interplead the insurance proceeds available for reconstruction, together with any other sums otherwise available to the Association for such purpose, to the Owners, less costs for clearing the debris, collecting

insurance proceeds, and any other expenses necessarily incurred as a result of the damage or destruction into the partition action.

19.2 Association's Duties. If the Common Areas, any Improvements thereon, and/or any other portion of the Development which the Association is obligated to maintain, repair or replace, are partially or totally destroyed by fire, earthquake, flood or other casualty, the Association must maintain, repair, replace and/or restore same to its former condition (or better) as promptly as practical. The proceeds of any insurance received must be used for such maintenance, repair, replacement and/or restoration.

19.3 Owner's Duties. If an Owner's Lot, any Improvements thereon, and/or any portion of the Development which the Owner is obligated to maintain, repair or replace, are partially or totally destroyed by fire, earthquake, flood or other casualty, the Owner must either: (i) restore the same to its former condition (or better) as promptly as practical, or (ii) as promptly as possible remove the damaged Improvement and any debris and place the Lot in a clean and presentable condition to the satisfaction of the Architectural and Residential Landscaping Committee.

19.4 Duties of Board During Reconstruction. If reconstruction is undertaken, the Board must: (i) enter into a written contract with a contractor who is licensed and insured for such repair, reconstruction, and restoration; (ii) disburse insurance proceeds available for the work, along with funds collected by reason of Assessments, in appropriate progress payments; and (iii) take all steps necessary to ensure the commencement and completion of such repair, reconstruction, and restoration in a lawful, workmanlike manner at the earliest possible date.

19.5 Interior Residence Damage. Repair, restoration and rebuilding of any damage caused by fire, earthquake, or other casualty to: (i) the interior of any individual Residence or Lot; (ii) personal property, furniture, furnishings, and decorations contained within a Residence or Lot; or (iii) any Improvements which were added to a Residence or Lot by any present or prior Lot Resident or Owner not covered by the Association's insurance must be made by and at the individual expense of the current Lot Owner. The Lot Owner must receive written architectural approval from the Association of the plans to repair, restore and reconstruct before beginning the work and comply and conform to any requirements of the Association's Governing Documents and all state and local building ordinances, codes, and statutes. The repairs, restoration and reconstruction must be completed as promptly as practical and in a lawful and workmanlike manner. If the work is of a nature that would normally require approval by the Association, the Owner must seek such approval, as provided for in these CC&Rs.

19.6 Special Assessment for Reconstruction. If the proceeds of insurance obtained by the Association are paid to any Mortgagee of a Lot and, by reason of such payment, the insurance proceeds are not made available to the Association as trustee, or otherwise, to effect any repair, reconstruction, or restoration of any damage and/or destruction to all or any portion of the Development as provided in these CC&Rs, the amount of such proceeds not made available must be assessed and charged to and against the Owner(s) and their Lot as an

Emergency Special Assessment. The Emergency Special Assessment must be made by written notification from the Board to the Owner or Owners against whom made.

19.7 Encroachment. If a Building is partially or totally destroyed and then rebuilt, Owners agree that minor encroachments of the Common Area on Lots or of Lots on the Common Area or on other Lots are permitted and that valid easements for the encroachments exist. Such encroachments are not considered to be encumbrances either on the Lots or the Common Area.

ARTICLE 20: CONDEMNATION

20.1 Notice. Promptly upon learning of any potential condemnation or sale by eminent domain, the Board must notify all Owners and First Mortgagees who have filed a written request for notice.

20.2 Payment for Common Area. When an action in eminent domain is brought to condemn all or any portion of the Common Areas, the Association must represent the Owners in all proceedings, negotiations, or settlements. Awards for the acquisition of Common Area must be paid to the Board, as trustee, for deposit into the Association's Reserves unless a majority of the total Voting Power of the Association elects to distribute the award among the Owners in accordance with their Percentage Interest.

20.3 Payment for Lot. When an action in eminent domain is brought to condemn all or any portion of one or more Lots, the award made for such taking must be payable to the respective Owners of the Lots, subject to: (i) the rights of Mortgagees holding Mortgages covering such Lots; and (ii) all unpaid Assessments of each Owner, taken together with interest and other pending charges. The Board of Directors has no responsibility for the restoration of an Owner's personal or real property taken as a result of condemnation.

20.4 Revision of Documents. When any part of the Development is condemned, the Board must, as soon as practical, prepare, file, and/or record a revised subdivision map, or other documents, reports, schedules, or exhibits necessary to show the changed or altered status of the Development.

20.5 Status of Membership. If a Lot is taken in condemnation, the Lot ceases to be part of the Development, the Owner ceases to be a Member of the Association, and the Percentage Interest in Common Area appurtenant to that Lot automatically become vested in the remaining Owners, in proportion to their respective Percentage Interests in the Common Area.

ARTICLE 21: MISCELLANEOUS

21.1 Amendment. Amendment or restatement of these CC&Rs is permitted by obtaining the affirmative vote of Owners comprising more than fifty percent (50%) of the Voting Power of the Association or as provided for by law, provided that the percentage of the Voting Power necessary to amend a specific provision is not less than the percentage of affirmative votes prescribed for action to be taken under that provision. Any amendment enacted in

compliance with this provision becomes effective when recorded with the Offices of all County Recorders where the Development is situated.

21.2 Lender Approval. If a First Mortgagee is entitled, by the terms of these CC&Rs, to consent to, approve, disapprove, or object to a proposed amendment to or restatement of the CC&Rs, but fails to return a ballot, or other form providing written disapproval or objection within thirty (30) days of receipt, such First Mortgagee is deemed to have consented to and approved the proposed amendment or restatement, provided the ballot, or other form permitting written disapproval or objection, was delivered by certified or registered mail with return receipt requested and the delivery signed for by a representative of the First Mortgagee.

21.3 Amendment to Conform to Statute. If a provision in these CC&Rs contradicts current law, according to a written opinion of the Association's legal counsel, on the unanimous approval of the Board of Directors and without approval of the Owners, the Board is authorized to amend that provision, but only to the extent necessary to render the provision compliant with applicable law. A resolution explaining the need for the change must be adopted by the Board in an open meeting of the Board and recorded in the minutes.

21.4 Term of CC&Rs. These CC&Rs continue in full force and effect for a term of sixty (60) years from the date of their recordation (the Renewal Date), after which time they are automatically extended for successive periods of twenty (20) years. The provisions of this Article are also subject to any prohibitions against partitioning the Common Area that might apply. These CC&Rs may be terminated if, within six (6) months prior to the Renewal Date of any twenty-year extension period, (i) at least seventy-five percent (75%) of the Owners and seventy-five percent (75%) of the First Mortgagees approve by secret ballot circulated by the Association via its Board of Directors to terminate these CC&Rs, and (ii) an appropriate governmental agency has agreed in writing to assume the Association's Common Area maintenance, repair, and replacement obligations, and (iii) certification of the Owners' and First Mortgagee's approval to terminate and the agency's agreement to assume maintenance duties are recorded with the Office of County Recorder in which the Development is situated, and (iv) the Association's contractual and other legal obligations are wound up, and (v) all required corporate filings, tax returns, and notices are filed with appropriate agencies to effectuate dissolution of the Association/corporation, and (vi) insurance tail coverage is purchased to cover any potential liability the Association may have until all applicable statutes of limitations have run their course.

21.5 Attorneys' Fees. In a lawsuit by the Association seeking the enforcement of the Governing Documents against an Owner or to determine the rights or duties of the Owner under the Governing Documents, the prevailing party may be awarded reasonable attorneys' fees and costs as permitted by law.

21.6 Notices. Any communication or notice of any kind permitted or required to be delivered pursuant to the Association's Governing Documents, or pursuant to the Davis-Stirling Act, must be in writing. Such delivery must be made as follows:

a. *To the Association:*

- i. Manner of Delivery. By electronic delivery (email, facsimile, or other electronic means), by personal delivery (for which a receipt will be provided), or by mail (first class, postage prepaid, registered or certified, express mail, or overnight delivery by an express service center). This provision consents to allow personal delivery and electronic delivery to the Association. However, the Association is permitted to withdraw such consent, in writing, as to any Owner whose electronic communications or personal visits are abusive or harassing, and limit communications and notices from such Owner to mail only.
- ii. Recipient of Delivery. The Person designated in the Association's annual policy statement to receive documents on behalf of the Association. If no Person has been designated to receive documents, the document must be delivered to the President or Secretary of the Association.

b. *To the Owners:*

- i. Manner of Delivery. For communications and notices subject to the Davis-Stirling Act, in the manner required therein, including individual notice or delivery, general notice or delivery, electronic delivery (with consent), or otherwise. For other communications and notices not subject to the Davis-Stirling Act, by electronic delivery (email, facsimile, or other electronic means), by personal delivery, or by mail (first class, postage prepaid, registered or certified, express mail, or overnight delivery by an express service center).
- ii. Location of Delivery by Mail or Email. Delivery must be made according to the Owner's preferred delivery method, or if no method is selected, as otherwise determined by Civil Code § 4041, and as further provided for in Civil Code § 4040 (individual delivery) and Civil Code § 4045 (general delivery).

c. *When Notice Deemed Delivered.*

- i. By Mail. If a document is delivered by mail, delivery is deemed to be complete on deposit into the United States mail.
- ii. By Electronic Means. If a document is delivered by electronic means, delivery is complete at the time of transmission.

21.7 Headings. The headings contained in these CC&Rs are for convenience of reference and are not a part of and are not intended to govern, limit, or aid in the construction of any term or provision of these CC&Rs.

21.8 Liberal Construction. The provisions of the Governing Documents must be liberally construed to effectuate their purpose of creating a uniform plan for the use, operation and maintenance of the Development.

21.9 Number and Gender. Words used herein regardless of the number and gender specifically used, shall be deemed and construed to include any other number, singular or plural, and any other gender, masculine, feminine or neuter, as the context requires.

21.10 Severability. The provisions of these CC&Rs and any other Governing Document are deemed independent and severable and the invalidity, partial invalidity, or unenforceability of any one provision has no effect on the validity or enforceability of any other provision.

21.11 No Public Rights. Nothing contained in these CC&Rs is a gift or dedication of all or any portion of the Development to the general public or for any public use or purpose whatsoever.

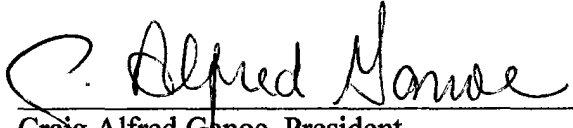

21.12 Successor Association. If the Association, as a corporate entity, is dissolved, a nonprofit, unincorporated association, without further action, automatically succeeds to all the rights and duties of the corporation. The affairs of the unincorporated association will continue to be governed by these CC&Rs, the Bylaws, Architectural Standards, and the Rules and Regulations, as well as any applicable law.

21.13 Conflicting Provisions. When a conflict exists between these CC&Rs and the Articles or the Bylaws, these CC&Rs control. When a conflict exists between the Articles and the Bylaws, the Articles control.
